WARRANTY

The United Headsets Max+ series has a two year warranty. This warranty will void if the tag is no longer legible or damaged or in case of demolition. The headset's age can be identified by the tag on the wire. This first mentions the product code and subsequently the month/year. For example 01/13 means January 2013. The warranty period will thus expire in January 2015. Subsequently select one of the following options

1. Please replace products under warranty only. Other products may be destroyed.
2. Please replace products outside warranty by new items. Our reference number is
