Our Vision

- **Leading Technology**
Advanced Noise Cancelling Technology guarantees high performance sound quality and the best user experience.
- **Simple Design**
Combines outer simplicity and inner excellence.
- **Delicate Details**
From products to service, we look deep into every detail to meet your every need.

Product Features

- **Superior noise cancelling**
Superior noise canceling microphone to eliminate background noise and enhance your voice.
- **Easy connection**
Two types of QD-cables makes it possible to connect the headset to any Plantronics or Jabra device and to easily integrate United Headsets in your workspace.
- **Crystal sound quality**
Neodymium speaker provides crystal hearing performance.
- **Perfect fit for different users**
The 300°rotatable and bendable boom with one-body design for unbreakable daily use and precise positioning.
- **Outstanding durability**
Metal joints made of aircraft grade aluminum alloy for better integrity and durability.
- **Easy to deploy**
Easy deployment in different platforms such as phones and PC via a variety of Quick-Disconnect cords.
- **Comfortable for daily use**
Ultra lightweight design and soft premium leatherette ear cushion for all-day comfort.
- **Care for the hearing protection**
United Headsets follows the international Noise Safety Standards and help create a safe and comfortable work environment
